Youth Financial Camps
Manistique Public Library

Free Camp Program every Wednesday in August for kids between the ages of 10 - 13 from 1:00 pm - 3:00 pm.

Sponsored by the National Credit Union Foundation, Limestone Federal Credit Union will be hosting its second free Youth Financial Camp at the library in Manistique this summer.

The program is geared towards children between the ages of ten and thirteen focusing on financial concepts at their age level. "It's never too early to learn about finances," said Kortney Veitengruber, Student Services Coordinator at Limestone. The students view episodes of the show bizKid\$ which depicts different financial themes. Afterwards, the kids are separated into groups and are given a team challenge. The winning team will receive a prize. All the while, they are learning, through a fun and interactive hands-on activity. Veitengruber said, "We're excited to provide a second round of financial learning activities for kids in our community."

The summer camp will run for the first three Wednesday's in August. If interested, parents can sign their children up either at the library or by calling Kortney at 341-3118 ext. 122.
