Skip your loan payment for the month of November, December, or January - the choice is yours!

You may skip a payment on any or all loans in good standing for the month of November, December, or January - the choice is yours!

Here's how it works...

- Processing fee of \$30 applies to each loan skipped due at time of request.
- The interest on your loan will continue to accrue throughout the month that you skip your payment.
- If your loan payments are paid through payroll deduction, the amount of your payment will be available as payroll deductions are received (weekly, bi-weekly, or monthly) from your employer.
- Holiday Skip Payment Forms are available on our website at www.limestonefederal.com.

Note: Limestone Federal Credit Union accounts must be in good standing. All real estate, student, land, and delinquent loans are excluded. Your request must be received prior to the due date of the payment you wish to skip along with your \$30 processing fee.
