

Stash. Save. Cash. Program

A wallet designed as a rainy-day fund

What is the Stash. Save. Cash. Program?

Our new SAVE program allows you to automatically transfer funds from your LFCU Checkings and Savings Account and stash it into a new SAVE Account, earning you 5% APR*! Enrolled members can allocate a minimum of \$5 and a maximum of \$250 to be auto-transferred into their SAVE account on a monthly basis.

Why join?

- ✓ Control over your day-to-day, month-to-month finances
- ✓ Capacity to absorb a financial shock
- ✓ Financial freedom to make choices to enjoy life
- ✓ On track to meet your financial goals

How it works?

- The Consumer Financial Protection Bureau has developed a questionnaire as a tool to help measure your current financial well-being– that is, how well your current money situation is. We ask our members to first complete [Financial Well-Being Survey](#) on the [ConsumerFinance.gov](#) website and provide the results to LFCU before enrollment in the SAVE Program ([consumerfinance.gov/consumer-tools/financial-well-being/](#)).
- Opt-in to the SAVE Account program by filling out this form and submitting it to lfcu@limestonefederal.com
- Establish your monthly Auto Funds Transfer (ATF) with a member of our staff
- After 180 days of enrollment in the program, we'll ask you to do a quick evaluation

Save for what's next!

*Your Stash Account currently pays a higher rate of dividends for balances \$50.00-\$1,000. Balances \$1,000.01 or more earn 0.10% APR.
